CONGRESSIONAL RECORD — HOUSE

earlier bought the votes which enabled them to enter the U.S. Senate. The group of Senators who disregard their country's international interests and the legitimate right of an entire people to work for the restoration of their land and for international understanding among the peoples of the various areas—this group cannot have any principles. Dishonest personal interests alone are the main incentive for their behavior and tricks.

The Israeli agents—members of the U.S. Senate—have forgotten that their plotting against the Arab national issues and interests cannot change the Arab national aims, foremost of which is the wresting of the Palestinians' right and the destruction of Israel.

(Mr. HALPERN asked and was given permission to revise and extend his remarks and to include extraneous matter.)

SOVIET ANTI-SEMITISM

The SPEAKER pro tempore (Mr. LIBONATI). Under previous order of the House, the gentleman from New York [Mr. HALPERN] is recognized for 5 minutes.

Mr. HALPERN. Mr. Speaker, a delegation described by the Soviet Embassy here as "the most representative delegation of public figures in the history of Soviet-American relations" has arrived in Washington. One of these so-called representative public figures is Aron Vergelis, who has been sent by the Kremlin to try to obscure the truth about the mounting crescendo of Soviet anti-Semitism.

Aware that this Congress and the American people are concerned about Soviet harassment of the Russian Jewish population, the Soviet authorities have sent their operative, Vergelis who calls himself a Jewish poet and who is the puppet who edits the Soviet Union's only Yiddish-language magazine, *Sovetish Heimland*, a blatant propaganda instrument which operates against true Jewish interests.

Mr. Speaker, this Nation should know the hypocrisy of Vergelis' depiction of himself as a Jewish literary personage concerned about the fate of Jewry when he is actually a Communist Party hack assigned to cover up by propaganda smokescreen the rising tide of Soviet anti-Semitism. He is a disgrace to the faith of his fathers and I hope he deceives no one.

Another member of the group, Boris Polevoy, a writer of Jewish birth, has betrayed his own people by flagrantly misrepresenting the truth about the persecution of those Russian Jewish writers and artists who suffered for their devotion to Judaism and freedom.

I might add, Mr. Speaker, that responsible observers have found elements of suspicion in the role of Vergelis in the Soviet persecution and even liquidation of Jewish writers and artists.

Mr. Speaker, I favor cultural exchanges but I feel that the "exchange" should be real and authentic. A distinguished American professor of political science, Dr. Frederick Barghoorn, of Yale University, has been thrown intocommunicado into a Soviet jail. I agree with the President and the State Department that we should cancel new cul-

tural exchange negotiations. I also feel the State Department is correct in asking American institutions to refuse a forum to such frauds at Vergelis. I am glad to see that Georgetown University has today canceled his appearance on its campus and I hope this gesture will impress on the Soviet Union the desire of the American public for decency by the Soviet Government—whether in its treatment of our professors or its own citizens of Jewish faith.
